

HEALTHY FAMILIES STUDY

SUMMER 2021 UPDATE

We Have Launched!

96

Facilitators trained in Triple P and COSP across 4 agencies.

6

Groups successfully completed virtually with 10 additional groups in progress!

.....
Most groups will resume in the fall.

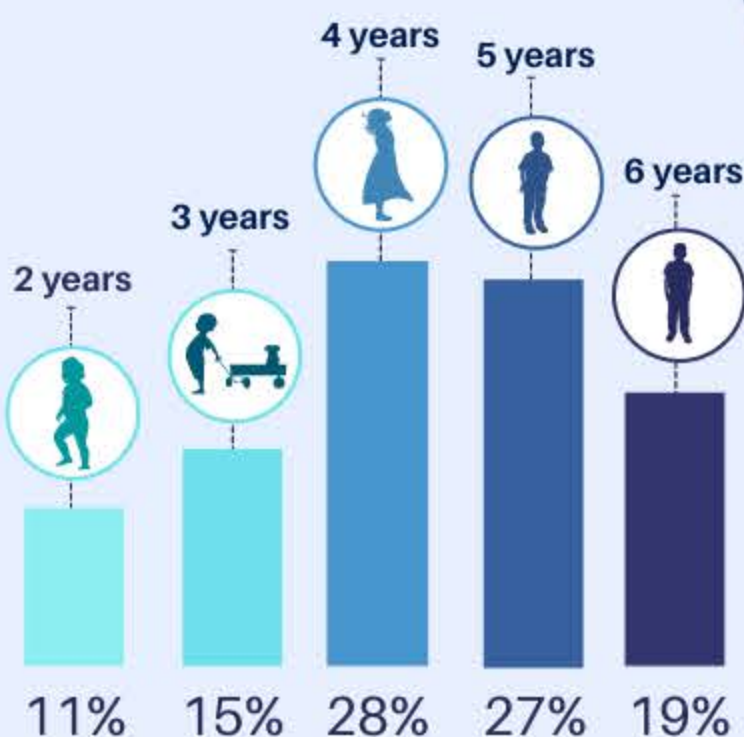

128

Families are currently participating in the study, out of our goal of 600!

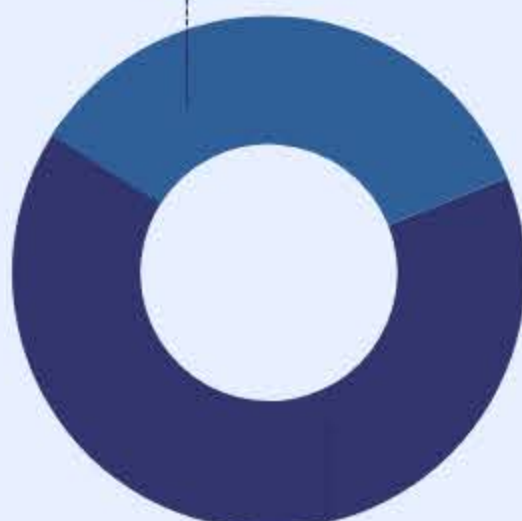

MEET THE FAMILIES

.....
Children in the study are 2-6 years old. Most are between the ages of 4-5.

35% of children participating are Female

65% of children participating are Male

ON BEHALF OF DR. ANDREA GONZALEZ AND THE PROMOTING HEALTHY FAMILIES RESEARCH TEAM, WE APPRECIATE EVERYTHING YOU HAVE DONE TO HELP LAUNCH THE STUDY.
