

HEALTHY FAMILIES STUDY

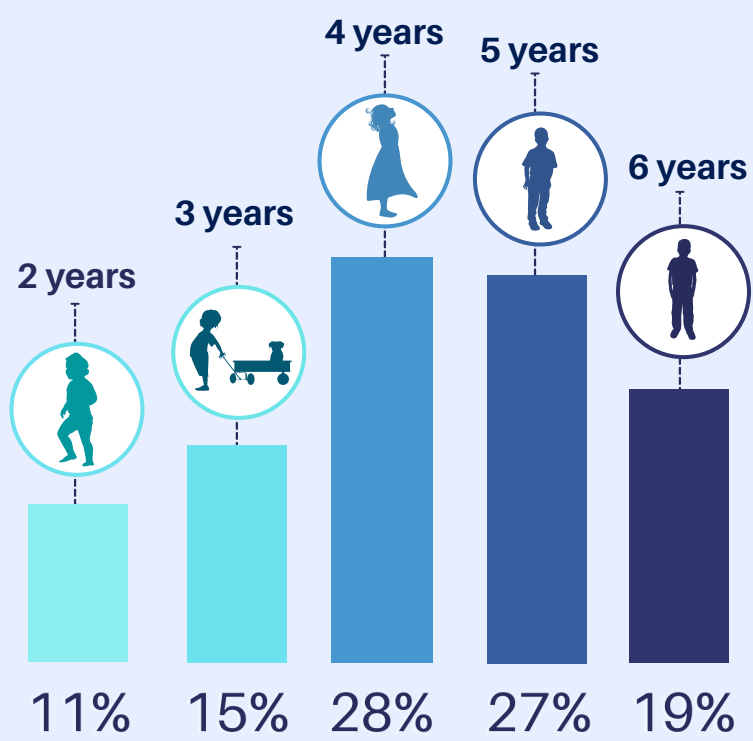

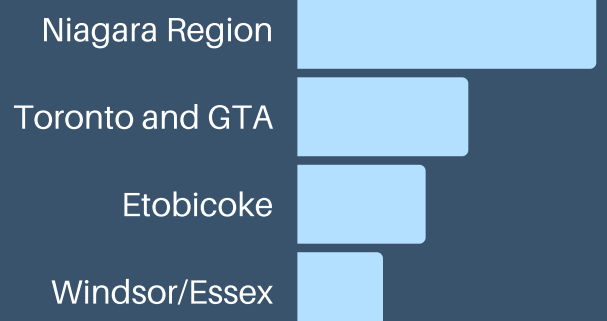

SUMMER 2021 UPDATE

128

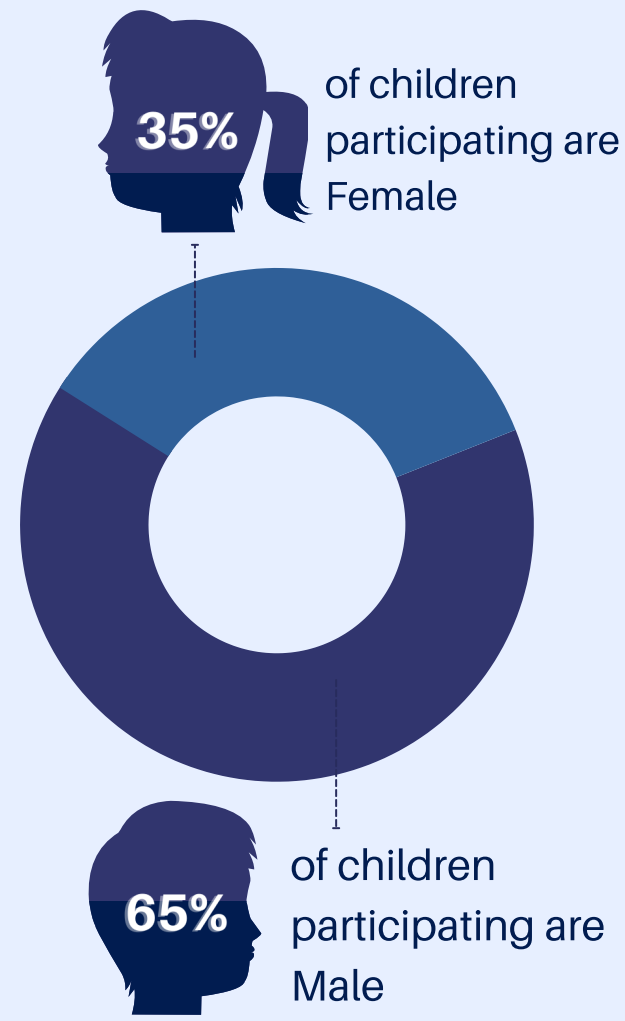

families are currently participating in the study, out of our goal of 600!

Families in the study live in the following regions in Ontario:

Children in the study are 2-6 years old. Most are between the ages of 4-5.

ENGAGING CHILDREN IN RESEARCH

128 passports given out to the next generation of researchers.

The passports are a fun way to engage children in the study!

COMING SOON...

A new rewards program is coming to Promoting Healthy Families. Earn a gift card up to \$25 through completing study questionnaires and visits, and participating in fun contests.

A research staff member will be in touch with more details soon!

ON BEHALF OF DR. ANDREA GONZALEZ AND THE PROMOTING HEALTHY FAMILIES RESEARCH TEAM, WE APPRECIATE YOUR PARTICIPATION AND INTEREST IN THE STUDY!

Funded by the Public Health Agency of Canada (Gender-based violence initiative)
