

# HEALTHY FAMILIES STUDY

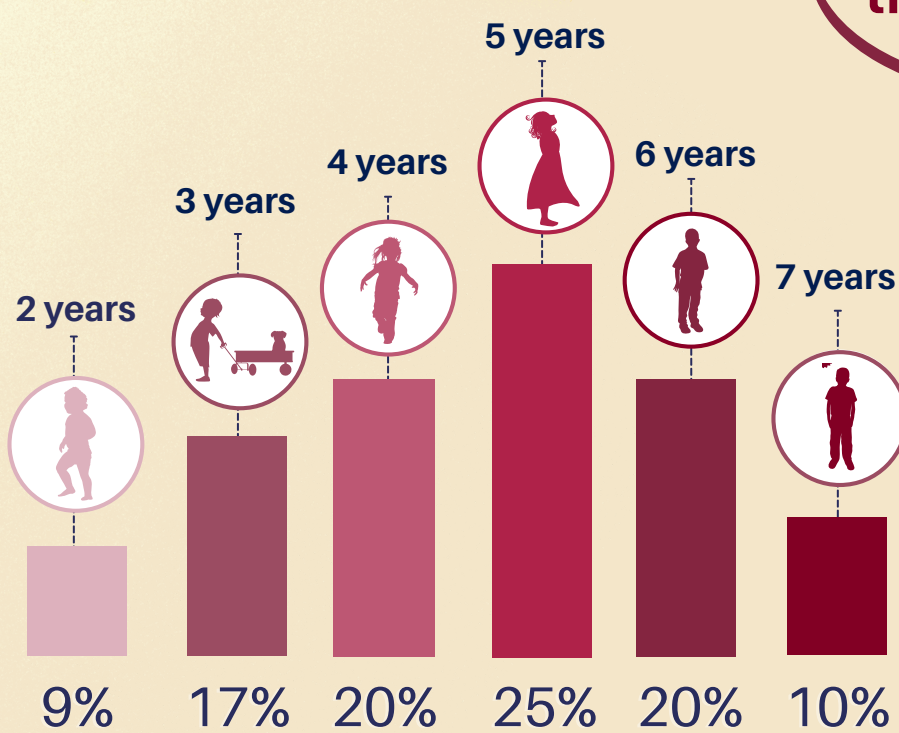

## WINTER 2022 UPDATE

**235** families are currently participating in the study, out of our goal of 600!

Families in the study live across Ontario. Primarily they are from:

### Spotlight on the Children

Children in the study are 2-7 years old. Most are between the ages of 4-6.

Thank you

Some Healthy Families participants are approaching their final study visit after one year of being involved in the study.

We recognize that it has been a tough year, so we greatly appreciate your commitment and interest in the study!

## HUBBUX PROGRAM

Earn points to redeem a gift card up to \$25 through completing study questionnaires and visits, and participating in fun contests.

Register [HERE](#) to join in on the fun and rewards!

New contests are released every month so make sure to sign up for your chance to win!

**13**

Gift cards redeemed to-date from Tim Hortons, Toys R Us, and Indigo.
